# **Independent Auditor's Report**

Board of Directors College of Eastern Idaho Foundation, Inc. Idaho Falls, Idaho

#### Opinion

We have audited the accompanying financial statements of College of Eastern Idaho Foundation, Inc. (the "Foundation"), a component unit of the College of Eastern Idaho, a nonprofit organization, which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of College of Eastern Idaho Foundation, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of College of Eastern Idaho Foundation, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about College of Eastern Idaho Foundation, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of College of Eastern Idaho Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about College of Eastern Idaho Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

# **Note 1: Summary of Significant Accounting Policies**

#### **Nature of Operations**

The College of Eastern Idaho Foundation, Inc. (the Foundation) was established in 1992 as the Eastern Idaho Technical College Foundation, Inc. to solicit gifts, devises, monies, or properties to be held and managed for the exclusive benefit as a component unit of the College of Eastern Idaho - formerly known as Eastern Idaho Technical College (the College). The Foundation's name was changed in 2017 in anticipation of the change in the name of the College. The Foundation is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, and a publicly supported charitable organization as described in sections 509(a)(1) and 170(b)(A)(vi).

The financial statements presented are only for the Foundation, and do not include the assets, liabilities, and fund balances, or the revenues, expenditures, and capital additions of the College of Eastern Idaho as a whole. Accordingly, the financial statements are not intended to present the financial position of College of Eastern Idaho or its results of operations in conformity with accounting principles generally accepted in the United States. The Foundation is a component unit of the College of Eastern Idaho and therefore, the financials are included in the financial statements that are issued by the College.

#### **Basis of Accounting**

The financial statements of the Foundation have been prepared in accordance with generally accepted accounting principles for Not-for-Profit Organizations.

### **Cash and Cash Equivalents**

The Foundation considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

#### Investments

The Foundation carries investments in marketable securities with readily determined fair values and all investments in debt securities at their fair values in the statements of financial position. Quoted market prices in active markets are used as the basis of measurement. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities.

Investment income and gains restricted by donors are reported as increases in net assets without donor restrictions if the restrictions are met (either a stipulated time period ends, or a purpose restriction is accomplished) in the reporting period in which the income and gains are recognized.

## Note 1: Summary of Significant Accounting Policies (Continued)

#### Investments (Continued)

Investments are generally recorded at fair value based upon quoted market prices, when available, or estimates of fair value. Donated assets are recorded at fair value at the date of donation, or, if sold immediately after receipt, at the amount of sales proceeds received (which are considered a fair measure of the value at the date of donation). Those investments for which fair value is not readily determinable are carried at cost or, if donated, at fair value at the date of donation, or if no value can be estimated, at a nominal value. Investment income or loss and unrealized gains or losses are included in the statements of activities as increases or decreases in net assets without donor restrictions unless the income or loss is restricted by donor or law.

#### **Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. A three-tier hierarchy prioritizes the inputs used in measuring fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

#### **Revenues Recognition and Support**

The Foundation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The Foundation reports contributed property and equipment at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions when placed in service.

Revenue from special events contains an exchange element based on the value or benefits provided and a contribution element for the difference between the total amount paid and the exchange element. The Foundation has determined that there is no material difference between recording the full balance as received, and separating these elements to be recognized at the time of the event, and therefore records both exchange and contribution portions at the time of receipt.

# Note 1: Summary of Significant Accounting Policies (Continued)

### **Promises to Give**

Unconditional promises to give are recorded as receivables in the year pledged. Conditional promises to give are recognized only when the conditions on which they depend are substantially met. Promises to give whose eventual uses are restricted by the donors are recorded as increases in temporarily restricted net assets. Unrestricted promises to give to be collected in future periods are also recorded as an increase to temporarily restricted net assets and reclassified to unrestricted net assets when received, unless the donor's intention is to support current-period activities.

Promises to give expected to be collected in less than one year are reported at net realizable value. Promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows on a discounted basis applicable to the years in which the promises were received. The amortization of the discount is recognized as contribution income over the duration of the pledge.

Management individually reviews all past due promises to give balances and estimates the portion, if any, of the balance that will not be collected. The carrying amounts of promises to give are reduced by allowances that reflect management's estimate of uncollectible amounts.

#### **Donated Property and Equipment**

The Foundation has recorded donations of property and equipment as support at their estimated fair value at the date of donation. Such donations are reported as support increasing net assets without donor restrictions unless the donor has restricted the donated assets for a specific purpose or period of time. Assets with explicit restrictions regarding their use are reported as restricted support. The donated property and equipment was passed through to the College.

#### **Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Personnel costs donated by the College are allocated between program and management and general. Program costs include distributions for charitable purposes, which are scholarships and college support, and direct program services that are expenses incurred to operate the program.

#### **Advertising and Promotion**

Advertising and promotion costs are charged to operations when incurred. Advertising and promotion expense were \$9,691 and \$4,462 for the years ended June 30, 2023 and 2022, respectively.

## Note 1: Summary of Significant Accounting Policies (Continued)

#### Estimates

Preparing the Foundation's financial statements in conformity with accounting principles generally accepted in the United States ("GAAP") require management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Income Taxes**

The Foundation is organized as a nonprofit and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, no provision for income taxes has been made in these statements. The Foundation is subject to examination of its federal income tax filing in the United States generally for the three preceding tax years. There were no uncertain tax positions taken by the Foundation. In the event that the Foundation is assessed penalties and/or interest, penalties will be charged to other operating expense and interest will be charged to interest expense.

#### **Net Assets**

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donorimposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

**Net assets without donor restrictions:** Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

**Net assets with donor restrictions**: Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

# Note 2: Concentration of Credit Risk

The Foundation maintains cash balances at financial institutions where the accounts are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000 per banking institution. The Foundation uses a combination of interest bearing and non-interest bearing accounts at their banks, and their banks collateralize through re-investing in short-term CD's with other banks. At certain times during the year, cash balances may be in excess of FDIC coverage. The Foundation has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk on cash. The Foundation's cash balance in excess of coverage limits at June 30, 2023 and 2022 was \$1,181,460 and \$917,179.

## Note 3: Investments

Investments and related returns for the years ended at June 30, 2023 and 2022 consisted of the following:

	2023	2022
Mutual funds	\$ <b>6,578,473</b> \$	5,958,215
Totals	\$ <b>6,578,473</b> \$	5,958,215
Years Ended June 30,	2023	2022
Net unrealized and realized gains (losses) Investment income	\$ <b>419,007</b> \$ 242,036	(1,556,227) 445,731
Totals	\$ <b>661,043</b> \$	(1,110,496)

Investments are held through Edward Jones and are insured by the Securities Investor Protection Corporation.

Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with various investments, it is reasonably possible that changes in the values of certain investments will occur in the near term and that such changes could materially affect the amounts reported on the financial statements.

# College of Eastern Idaho Foundation, Inc. Notes to Financial Statements

## Note 4: Fair Value Measurements

Following is a description of the valuation methodologies used for assets measured at fair value:

• Mutual funds held are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held are deemed to be actively traded.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value.

The following tables present the balances of assets at fair value on a recurring basis by level within the fair value hierarchy at June 30:

	Assets at Fair Value as of June 30, 2023				3
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	6,578,473 \$	- \$	- \$	6,578,473

Total investment assets at fair value	\$	5,958,215 \$	- \$	- \$	5,958,215

There were no assets or liabilities measured at fair value on a nonrecurring basis as of June 30, 2023 and 2022.

## **Note 5: Donated Services**

The College donated 100% of the total Director of Operation's and the Scholarship Coordinator's salary and benefits, which has been recorded in these financial statements as a donation and expenditure at June 30, 2023 and 2022, of \$205,307 and \$166,391, respectively. The College also provides office space and other services to the Foundation. The value of the office space and other services is not reflected in these statements.

A substantial number of unpaid volunteers have made significant contributions of their time to the operations of the Foundation. The value of these donated services and time is not recognized in the accompanying financial statements because they do not meet the criteria for recognition.

# **Note 6: Pledges Receivable**

Pledges receivable are due as follows:

## Note 7: Net Assets (Continued)

Net assets at June 30, 2023 and 2022, were released from donor restrictions by incurring expenses satisfying the restricted purposes specified by donors as follows:

Years Ended June 30,	2	.023	2022
Scholarships and college support	\$	<b>609,531</b> \$	335,642
Total	\$	<b>609,531</b> \$	335,642

## **Note 8: Donor Restricted Assets**

At June 30, 2023 and 2022, the Foundation had donor-restricted endowments for the purposes of supporting the College and providing student scholarships. The Board of Directors has interpreted the Idaho Uniform Prudent Management of Institution Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. At June 30, 2023 and 2022, there were no such donor stipulations. As a result of this interpretation, the Foundation retains in perpetuity (a) the original value of initial and subsequent gift amounts donated to the Endowment and (b) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. The Foundation considers the following factors when deciding to appropriate or accumulate donor-restricted endowment funds:

- Duration and preservation of the fund
- Purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- Possible effect of inflation and deflation
- Expected total return from income and the appreciation of investments
- Other resources of the Foundation
- Investment policies of the Foundation

The primary long-term financial objective for the Foundation's endowments is to preserve the real purchasing power of endowment assets and income after accounting for endowment spending and costs of portfolio management. The endowments are held at the Foundation and subject to the Foundation's approved investment policy statements.

The amount permanently restricted by donors was \$2,942,922 and \$2,883,088 respectively. The Foundation determines the amount to be paid out as scholarships and college support on an annual basis.

The endowment funds consist of donor-restricted endowments and funds by the board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

## Note 9: Liquidity and Availability of Financial Resources

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

Years Ended June 30,		2023	2022
Financial assets at year-end:			
Cash and cash equivalents	\$	<b>3,644,965</b> \$	2,097,730
Investment securities	-	6,578,473	5,958,215
Pledges receivable, current portion		721,533	923,250
Total liquid financial assets available		10,944,971	8,979,195
Less amounts not available to be used within one year			
Net assets with donor restrictions		9,830,321	8,029,897
Financial assets available (unavailable) to meet general expenditures within 12			
months	\$	<b>1,114,650</b> \$	949,298

The Foundation strives to maintain liquid financial assets sufficient to cover 180 days of general expenditures. Financial assets in excess of daily cash requirements are invested in certificates of deposit, money market funds and other short-term investments.

# Note 10: Endowment Funds

In July 1999, the Rogers and Hazel Rose Fund for the College of Eastern Idaho Foundation, Inc. was set up with the Idaho Community Foundation (ICF), an Idaho nonprofit corporation, in the amount of \$100,000. The assets of the fund are held by ICF as a permanent endowment. The purpose of the fund is to make charitable distributions to the College of Eastern Idaho Foundation, Inc. and/or maintenance needs and student scholarships. The maximum distribution from the fund is restricted to 50% of the prior year's net earnings. The Foundation received \$5,214 during the current year and \$16,880 during the prior year and had no receivable at June 30, 2023 and 2022. These assets are not reflected on these financial statements, as they are the assets of ICF.

# Note 11: Funds Held by Idaho Community Foundation

The Daugherty Foundation – EITC Scholarship Fund was established in 1991 with the Idaho Community Foundation (ICF), an Idaho nonprofit corporation. The purpose of the fund is to make charitable distributions to the College of Eastern Idaho in the form of student scholarships and college improvements. The ICF has discretionary authority to distribute principal, any additions thereto, and income earned in making the donations. The Foundation received \$5,510 during the current year and \$15,000 during the prior year and had no receivable at June 30, 2023 and 2022. These assets are not reflected on these financial statements, as they are the assets of ICF.

# Note 12: Concentration of Contributions or Grants

The Foundation relies primarily on contributions. Contributions generally come from donors in south east Idaho for the years ending June 30, 2023 and 2022.
