## A WORD FROM CEI'S PRESIDENT

### WELCOME TO THE COLLEGE OF EASTERN IDAHO FOUNDATION!

At College of Eastern Idaho, we believe in the transformative power of education. And none of it would be possible without the generosity of our donors—people like you—who are changing lives every day. Your support goes beyond just scholarships or financial aid. It provides hope, opens doors, and lights the path for students who might otherwise not have the opportunity to walk it.

Let me share a story. One of our students came to CEI with a full-time job and family responsibilities, determined to improve their life through education. They enrolled in evening classes, balancing the demands of work, family, and studies, all while pursuing a career they had dreamed of for years. Thanks to the financial support from donors, this student could focus on their goals without the overwhelming burden of tuition. Soon, they will be the first in their family to earn a degree. Stories like theirs are a powerful reminder that your gift doesn't just educate—it elevates entire families and communities.

As the saying goes, "If you want to go fast, go alone; if you want to go far, go together." Every scholarship, every act of generosity pushes our students and our region that much further, and together, we're building the leaders and innovators of tomorrow.

We invite you to continue this journey with us. Invest in the students of today, and in doing so, you'll invest in eastern Idaho's future.

Thank you for your belief in our mission.

Sincerely,

Lori D. Barber, Ed.D.  
College of Eastern Idaho President

# FOUNDATION ANNUAL AWARDS

## JORDAN OUTSTANDING FACULTY

### KACEY CALL

Kacey is the kind of person who sees what needs to be done and makes it happen—often from the ground up.

One example of this is when she felt that all CEI nursing faculty needed to have at least a basic understanding of simulations and how they work. She created a day-long SIM conference to teach this to our faculty and some others. That training she created is now used by other institutions to teach their faculty. She uses her talents this way because she is very student-focused and dedicated to the students getting the best training and clinical experience.

## CORPORATE PARTNER OF THE YEAR

### IDAHO ENVIRONMENTAL COALITION

College of Eastern Idaho and the CEI Foundation are lucky to have many wonderful friends. For instance, Idaho Environmental Coalition has been, in one form or another, at every one of the 15 editions of The Great Race for Education.

But there's more to it than that. They have a representative on the CEI Foundation board of directors and the Workforce Training advisory board, they hire our students, promote who we are in the community, donated to the Future Tech building project, and do what you need a good friend to do—they help us succeed!

## CONTRIBUTORS OF THE YEAR

### RICK & LINDA AMAN

In 2017 Rick & Linda left their home on the western side of Idaho and came to a small technical college on the eastern side of the state. Rick retired as the inaugural president of College of Eastern Idaho. In his time here, that small technical college became CEI, enrollment grew 270%, the quality of the college's programs improved, and we are in the middle of constructing a building on campus.

Linda is an award-winning artist and teacher who is well known in the western United States as an artistic force. We don't have space to list all her awards, exhibitions, juried shows, gallery showings, and shows where she's been a featured artist. But it bears mentioning that she was artist-in-residence at Yellowstone National Park a few years ago. Many of her delightful works graced CEI's campus for many years.

Not only is this accomplished couple great ambassadors for CEI's mission, but they also created a scholarship endowment many years ago that will help students in perpetuity—which is a very long time.

## OUTSTANDING ADJUNCT FACULTY

### KIM MILLER

Kim Miller teaches Anatomy and Physiology, but there is more to what she brings to CEI than just teaching a class or two. Kim takes time to help

people become comfortable with the material. She will often stay after class and keep her office hours to help students. She also developed a new curriculum for her own labs and polished some existing labs. This happens as a result of her working with other instructors to match their curriculum. We are grateful that she goes above and beyond in her work.

## OUTSTANDING STAFF MEMBER

### BAILEY WINN

Bailey is no stranger to the CEI Foundation—she worked for us for eight years. She has a big heart for students and wants to do everything she

can to help them. For many years she oversaw the Foundation's scholarship program, among many other things, and had planning for The Great Race for Education down to a science.

Today, Bailey is senior coordinator of Student Life and serves as the advisor for both Phi Theta Kappa and the student senate. She is also a member of the Idaho Falls Civitan Club, and is a Chamber Ambassador where she was awarded the Distinguished Under 40. She will soon earn her master's degree. Bailey is dedicated and professional. She works hard for CEI and its students.

## A MESSAGE FROM OUR CHAIR

**Travis Evans**  
Foundation Board Chair

Hello from the CEI Foundation Board of Directors! It's been another exciting and productive year for the board. This is my final year as chair and Tyson Daniels will take over January 1st. We are all excited for this change and know that Tyson will do an amazing job!

Thanks to our generous community, the foundation achieved many milestones. **Over \$350,000 in scholarships were awarded to 248 CEI students**, empowering them to graduate, start careers, and contribute to eastern Idaho as strong citizens. We sincerely appreciate all who donated to make this possible.

This year, new donors established two additional scholarships, and the Great Race for Education—Treasure Island Edition, raised a net of \$90,000! Beyond scholarships, **more than \$50,000 in grants funded CEI campus projects**, aiding current and future students. A major highlight was the foundation's \$1,000,000 contribution to the CEI Future Tech building. This gift will serve to benefit thousands of students for generations to come!

To keep this momentum into 2025, ongoing support is vital. You can donate online at [ceigiving.org/donate](https://ceigiving.org/donate), use the enclosed envelope to send a contribution, or contact our executive director, Dave Facer, at **208-535-5398** to discuss giving options. Your support is crucial to continuing this transformative work and advancing the foundation's mission of changing lives.

more information.**

**KRISI STATEN**

**THANK YOU FOR YOUR SERVICE!**

*Krisi's term as a CEI Foundation board member has sadly come to an end. As a proud college alumna, Krisi was an active board member since 2015 serving two years as board chair and, most recently, as marketing & events committee chair. Although her term is ending, she plans to continue contributing to CEI and the foundation—*

***Thank You for Your Support, Krisi!***

## STUDENT HIGHLIGHT

# ROOTS OF RESILIENCE:

How Family Values & Scholarships Drive Academic Triumphs

BY AISHA NALDER

I was born and raised in Mexico City, in the vibrant neighborhood of Coyoacán, surrounded by history and culture. When I moved to the United States at 15, I carried with me not only my heritage but also the deeply held belief in the power of education—a belief instilled in me by my family. As the eldest of three siblings and the first immigrant student in my family, I faced the challenges of adapting to a new country, learning a new language, and balancing academic expectations.

For me, education has always been more than attending school—it has been a pathway to opportunity, empowerment, and hope, especially for students from minority backgrounds. In high school, despite the difficulties of learning English and adjusting to a new system, I pushed myself to succeed. Eventually, I graduated with honors and earned scholarships that helped my continuing path to success. Scholarships have transformed my life, opening doors that would have otherwise seemed impossible.

Scholarships like those I received, including the CEI Foundation Scholarship, are much more than financial aid. They represent the belief in the potential of students like me—immigrant and minority students who may not have access to the same resources as others. Scholarships allow us to

focus on our education, stay engaged, and pursue our dreams without the constant worry of financial strain.

This support goes beyond just paying for tuition or school supplies. It carries a deeper message that we belong in higher education, that our dreams are valid, and that we have a role to play in shaping the future of our communities and our country. For many minority students, scholarships can be the difference between continuing their education or having to pause their dreams to provide for their families.

**“Through education, we stand and deliver, not just for ourselves but for generations to come.”**

Beyond the financial assistance, scholarships offer connection and mentorship. Donors and educators often become part of our support systems, helping us navigate the complexities of academic life and offering guidance for our future careers. I am profoundly grateful to the

CEI Foundation and its generous donors, whose support is not just an investment in individual students but in the future of our communities.

Through education, we stand and deliver, not just for ourselves but for the generations to come.

Thank you for believing in us!

# 2024 HIGHLIGHT,

WE CELEBRATED FUTURE TECH'S GROUNDBREAKING

## LET'S BUILD THE FUTURE TOGETHER!

***There was a significant crowd in attendance for the groundbreaking***

of the new Future Tech building on **August 1, 2024**. CEI has seen phenomenal growth over the past few years making the need for a new energy, innovation, and technology building on campus a necessity.

This two-level, 88,000 square foot state-of-the-art building is expected to be completed in the fall of 2026. It will have additional classroom space and an area for large gatherings, such as business or civic events, making it

an excellent resource not only for the campus, but for the whole community. Future Tech will house some of the College's most cutting-edge programs in cybersecurity and energy systems.

***There are still many opportunities to donate and become a part of history with CEI's newest addition.*** Please scan the QR code below to contribute.

# GIVING OPTIONS,

ON AUGUST 1, 2024

## & DONOR SPOTLIGHT

### GIVING OPTIONS

#### Do you want to help families for generations by giving to the CEI Foundation?

That's the kind of impact education can have for students and those who follow them.

Donated funds are used to award scholarships to deserving students, enhance and advance CEI programs, build the college's buildings, and advance the mission of the CEI Foundation. It really depends on each donor's charitable desires. We take very seriously the responsibility to treat each donation as the result of your hard work and sacrifice.

Contact us today at 208-535-5398 or [scholarships@cei.edu](mailto:scholarships@cei.edu) to talk about how you can **BE THE DIFFERENCE** in the lives of CEI students!

#### THERE ARE A LOT OF WAYS YOU CAN GIVE, SUCH AS:

- Cash
- Recurring gifts
- Online gifts ([ceigiving.org](https://ceigiving.org))
- Employee matching
- Stock and other securities
- IRA distribution
- Donor Advised Fund
- Real estate or other tangible property
- Gift-in-kind
- Planned gifts (you can put the CEI Foundation in your will, trust, or estate)

### BALL VENTURES

#### DONOR HIGHLIGHT

#### WHY WE GIVE TO THE CEI FOUNDATION:

"CEI has an impressive track record of meeting the growing demand for a skilled workforce in our area and doing so in an affordable manner without compromising on quality.

We all ultimately benefit from a financial contribution to the CEI Foundation because our entire community is touched by the workers that CEI educates, from auto technicians,

to nurses, to cybersecurity professionals, and so on. Ball Ventures is proud to support CEI in its mission, which benefits not only the students it serves but also their families, area businesses, and our region at large."

- Amanda Logan,  
Director of Public Affairs

# FOUNDATION EVENTS REPORT

## THE GREAT RACE FOR EDUCATION

July 19, 2024, was the CEI Foundation's 15th year hosting the Great Race for Education. Eighteen teams converged on The Waterfront at Snake River Landing for the complexities of camaraderie and competition. It was the "Treasure Island Edition" this year and there were new raffle prizes and pirate-themed challenges to be had. Best of all, the Foundation raised \$90,000! Ball Ventures came in first place by knocking Teton Toyota, who took second, from their perch as reigning champion. The Mountain View/Idaho Falls Community Hospitals team placed third. Of particular note, Ball Ventures alone raised **nearly \$36,000 for the event**, a new and incredible record! Thank you!

## SCHOLARSHIP CELEBRATION

This year's Scholarship Celebration was held September 26th at the Westbank Convention Center. It was an elegant event where our scholarship donors were able to interact with the students who were scholarship recipients this year through the Foundation's scholarship program. Faculty and staff were also recognized for their excellence at this event (see p.2).

## IDAHO GIVES

Idaho Gives is an annual statewide fundraiser organized by the Idaho Nonprofit Center designed to bring people together to show support, bring awareness, and raise money for Idaho's nonprofits. The CEI Foundation raised \$5,800 in generous donations in 2024, which tops our last three years combined! Join us again for the state's largest online giving event next year in April 28-May 2, 2025 as we compete with other nonprofits across the state and try to top that.

# LIGHT UP THE NIGHT

FOR CEI

A GOLF EVENT  
LIKE NO OTHER!

## COMING UP SPRING 2025! LIGHT UP THE NIGHT FOR CEI

Keep checking our website [ceigiving.org](https://ceigiving.org) for information and updates for this glow in the dark golf event. Rest assured it will be in full swing when the warmer weather hits next spring!

# IDAHO LAUNCH

## WHAT YOU NEED TO KNOW

The Idaho State Legislature passed a bill to create the Idaho LAUNCH grant program. Idaho LAUNCH aims to prepare Idaho's students for the state's workforce needs. It provides access to grants for education and training programs in high-demand fields. This is an incentive that will help students graduating high school in 2025 pay 80% of their tuition and fees up to \$8,000 at an eligible institution. This will cover most of the cost of tuition for many CEI students who qualify.

**Only 15%** of the CEI Foundation scholarship applicants for the 24-25 academic school year **were recent high school graduates**. There is still a huge need for scholarship donations to help students who will not be able to access Idaho LAUNCH funds.

*To find out more information about the program, go to [www.nextsteps.idaho.gov](http://www.nextsteps.idaho.gov)*

## BY GIVING TO THE CEI FOUNDATION YOU CAN EARN AN IDAHO TAX CREDIT

*DID YOU KNOW THAT YOU COULD EARN A TAX CREDIT ON YOUR IDAHO TAXES JUST BY GIVING TO THE CEI FOUNDATION?*

Idaho allows you to contribute to certain educational and cultural organizations while reducing the amount of state income tax you owe. This is a tax *credit* you can take even if you don't itemize. Contributions are reduced by the value of anything you receive in return such as food, entertainment, or merchandise. You can claim the credit on your Idaho income tax return for the year when you made the contribution(s).

*For C and S corporations, the law limits the yearly credit to the smallest of:*

- **\$5,000**
- **10% of total income tax or franchise tax owed for the year.**
- **50% of the amount donated.**

*For all other businesses, individuals, and entities (such as estates and trusts), the law limits the yearly credit to the smallest of:*

- **\$500 per taxpayer** (\$1,000 total for married individuals filing jointly)
- **50% of total income tax** (For example, the amount on Form 40, line 21, for Idaho resident individuals)
- **50% of the amount donated.**

Talk to your tax advisor or contact the Idaho State Tax Commission if you have questions about this credit.

# COLLEGE OF EASTERN IDAHO ACCOMPLISHMENTS

**\$400,000 AWARDED IN  
SCHOLARSHIPS AND GRANTS TO  
CAMPUS PROJECTS**

**248**

Scholarships awarded. A 16% increase from last year.

**\$90,000**

The CEI Great Race for Education—Treasure Island Edition raised \$90,000 net!

**18,589**

CEI had 18,589 learning experiences for credit, Workforce Training, GED, etc.

**477**

477 students graduated in 2024, an increase of 58% since 2020.

## 2025 CALENDAR OF EVENTS

**MARCH 1**

### **SCHOLARSHIP DEADLINE**

### OUR MISSION

DEVELOP POSITIVE COMMUNITY RELATIONSHIPS, PROVIDE SCHOLARSHIP OPPORTUNITIES AND SUPPORT COLLEGE INITIATIVES
